**NZX Announcement  
For Immediate Release**

**Tourism Holdings Limited - Canterbury Earthquake**

*thl* operates two sites in Christchurch that were affected by the earthquake. Fortunately no staff or customers were onsite or injured.

The **main rentals site on Memorial Avenue** from which our motorhome and car customers pickup and drop off vehicles was closed after the earthquake until the buildings could be checked by a structural engineer. This has been completed and the **branch will be fully operational from Tuesday morning - 7 September 2010.**

The other site that sells *thl's* used motorhomes suffered damage and a temporary facility has been set up in Sawyers Arms Road with vehicles relocated to that site.
