

YOUR GUIDE TO MIGHTY LIABILITY NEW ZEALAND

Whilst "liability cover" insurance can be purchased from a third party* to protect you from cost of any liability in case of damage, it does not directly release you from the liability associated with hiring a Mighty vehicle.

It is a mandatory requirement for you to accept liability directly with Mighty by way of a security deposit to cover the standard liability applicable to the Mighty vehicle hired.

The standard Mighty Light liability option is included in the rental rate and requires a NZ\$3,500 or NZ\$5,000 security deposit (depending on the vehicle hired), which is debited from your credit card upon collection of the vehicle. In the case of vehicle or property damage, part or all of the security deposit will be retained, however you can seek reimbursement from the third party* from whom you purchased the liability cover insurance.

We have created easy to follow liability options for you to choose from, so that you can enjoy your Mighty road trip safe in the knowledge that we've got you covered.
