HOW TO SEE THE MIGHTY SIDE OF LIFE

How old do I need to be? For our Lowball, Highball & Jackpot campervans, you only need to be 18 years and up. For the more spacious Deuce, Double Down, Double Up and Big Six campervans, you need to be at least 21.

What sort of licence do I need? A full and current one. If your licence isn't in English, you need to pick up a current international driving permit issued in the same nationality as your licence.

Sharing the driving? Unless you want to hog the driving there is a \$5/day charge for any additional drivers. If you've purchased our Almighty cover - then share away; extra drivers are included.

Minimum hires? The minimum rental period for the Lowball is three days, for the rest of the Mighty Vehicles it is five days - the perfect long weekend. If you're going from one city to another, minimum rental period is 7 days or greater depending on collection and return location. Between 20 December - 10 January the minimum rental is 10 days. The Double Up and Big Six also have a minimum rental of 7 days for some dates in October from Sydney and Melbourne.

What about one-way hires? One-way rentals are available between most branches with a few exceptions. The Jackpot is only available to and from Melbourne, Adelaide, Sydney, Cairns and Brisbane. The Big Six is only available to and from Melbourne, Sydney and Brisbane. The Big Six is also available for Perth to Perth hires, but is not available for one way hires out of or into Perth. The Lowball is not available to or from Alice Springs. Minimum rental period for one-way hires is 7 days or greater depending on collection and return location. One-way fees apply.

What is liability, you ask? This is the amount of money you're liable for if the vehicle gets banged up (or bangs up someone else's). The amount you're liable for depends on the Liability Reduction option you take. You can take a gamble and take the standard liability without paying an additional per day charge but you will need to pay a debited bond which is refunded on your return of the vehicle safe and sound. To keep it safe and simple, we recommend The Almighty cover option!

Mighty Branch Hours?

Mighty has branches in Adelaide, Alice Springs, Brisbane, Cairns, Darwin, Melbourne, Perth & Sydney. Branches are generally open 7 days a week, however this can change in off-peak periods. In addition, from 1st December to 31st March the Darwin and Alice Springs branches are closed. For full operating hours please refer to www.mightycampers.com.au.

All branches are closed 25 December, 01 January, 26 January.

What roads are too dangerous for me? There are a few roads which we can't let you travel on. The information is available on our rental agreements available at www.mightycampers.com.au as well as at our branch.

A word from the Mighty: Our vehicle details described on this flyer are only indicative of the vehicle that will be provided at time of rental. All prices on the flyer are in Australian Dollars.
